

## KITCHEN CHALLENGE DINNER INVITE

Dear Guest,

We are writing to let you know about an exciting event that we have planned for **Thursday 13<sup>th</sup> April 2017**.

In partnership with The Wiggly Worm, Gloucestershire County Council has commissioned a Kitchen Challenge project for a group of people with disabilities to help them develop the confidence and skills they need to pursue their employment ambitions. Over the next 8 weeks, the participants will go on an exciting food journey, learning about healthy eating, food safety, and most importantly developing their practical skills which are transferrable to the workplace.

To celebrate their progress, the project culminates with the participants running their own restaurant service to specially invited guests, where they have devised their own menu, and will prepare, cook and serve all of the food as a team.

We would like to invite you to this lunch at **1.30pm on 13<sup>th</sup> April at Gloucestershire International School, Wotton House, Horton Road, Gloucester, GL1 3PR**. You will be able to learn more about both the Kitchen Challenge project and discover how Gloucestershire is leading the country in developing opportunities for employers to employ a more diverse workforce.

If you would like to join us on the 13<sup>th</sup> April, then please confirm your attendance by emailing [aguilding@thewigglyworm.org.uk](mailto:aguilding@thewigglyworm.org.uk) along with the details of any special dietary requirements or needs by 31<sup>st</sup> March.

We look forward to seeing you on the evening.

Many thanks,

Abby Guilding  
Managing Director
